- Week 6: Computer Science Camp**  
July 16 - 22, 2017
- Week 7: Top 3 Camp**  
July 23 - 29, 2017

Teach Math, Physics, and Computer Science to top students from around the country in 8th-12th grades.

**D**o you have what it takes to lead a classroom to victory? Each week you will lead your classroom to produce multiple STEM projects and compete against other classrooms in science fair style presentations. Earn bragging rights among your peers each time your classroom wins!

**Every instructor will be in charge of a classroom of about 20 students!**

We will train you in the specific math, physics, and computer science projects.

**APPLY TODAY**
